

Washington Knitting Club 2006

The Washington School Knitting Club is back in business under the direction of Mrs. Roberts, Mrs. Viemeister, and Mrs. Quinn. The girls are working on their skills, learning new stitches and improving their technique.

Projects for this year, in addition to the usual hats, scarves, mittens, and purses, include socks and finger puppets - relatively small things, which can be completed much more quickly than a sweater, but give just as much a sense of accomplishment.

Here are some recommended websites for those interested in knitting to check out.

This one has basic knitting instruction in English, Spanish, and French. The English instructions are more detailed, but the diagrams are good enough, that anyone who has mastered the basics in Spanish should be able to follow.

This second one has useful close-up videos of the basic knitting techniques.
