

First Grade News

Ms. Chieffo
Mrs. Monterosa
Miss Puzio

We can't believe it is already the fourth marking period! We have had such a wonderful year so far. We thank you for all your support during this productive school year.

Language Arts

Continue reading with your child. Focus on fluency and comprehension when reading. Don't forget to practice those sight words as well. Writing should always be encouraged.

Math

Continue working with your child in the areas of counting money, time, and measurement. Remember to practice math facts as well.
