

# YOU DID IT!

**Congratulations 4th graders  
on reaching your goal  
of 1,500 books in**

**Charlie's Reading Challenge.**

The children of Mrs. Healy's and Mrs. Tibaldo's classes were challenged to read 1,500 books before the end of the year as a part our annual Charlie Bookworm Reading Challenge. Our ambitious students met that challenge on Friday, May 15, 2009 when their book count went slightly over 1,500 books. They are so excited about their success, they decided to keep reading to see how many books over their goal they can read before the end of the year. As their teachers, we are extremely proud of their dedication and determination.
