

Second Grade

We will be returning to our hardcover reading textbook. We will be working on different reading skills. The children will also be continuing to develop fluency and comprehension. PLEASE continue to read EVERY NIGHT with your child. Remember, your child will benefit from reading and being read to, as much as possible.

The second graders are working very hard on writing and editing skills. We would encourage you and your child to practice writing at home. Please emphasize capitalization, punctuation, and staying on topic.

Please remember how important it is to continue practicing addition and subtraction facts, counting money, telling time. We are working very hard to develop problem solving strategies(word problems).

After the holidays we will be starting cursive writing.

We will continue to work on following directions, listening, and being kind to others. Please reinforce these skills at home.

Thank you for your cooperation.
